

**Should we pay to dump 28,000 truckloads of gravel at CU South, destroy the floodplain, build the “Great Wall of Boulder” high hazard dam on Open Space, and then likely watch CU sell to a developer?**

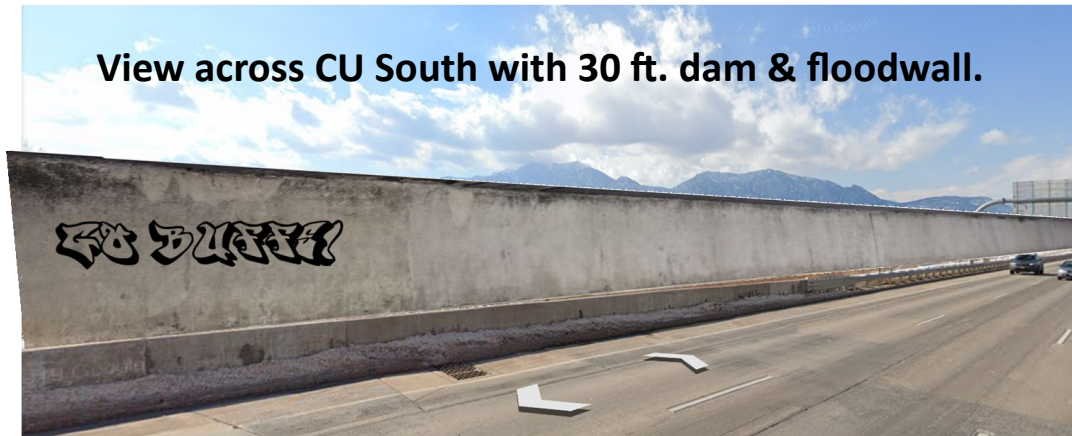

## **CITIZEN’S CONDITIONS FOR THE ANNEXATION OF CU SOUTH**

**will limit development, protect open space and habitat, provide sensible flood mitigation, require affordable housing, and assure CU pays its fair share of the costs.**

View from US 36 across CU South today.

View across CU South with 30 ft. dam & floodwall.
